

3rd International
 Doctoral Seminar
 in field of Geodesy,
 Geoinformatics and
 Geospace

Centre for Advanced
 Academic Studies
 University of Zagreb,
 Dubrovnik, Croatia
 May 14th – 17th 2019

SECOND ANNOUNCEMENT

Dear colleagues,

We are pleased to inform you that registration for the Seminar was successful and final number of participants of the 3rd International Doctoral Seminar in field of Geodesy, Geoinformatics and Geospace is 30. In accordance with list of participants we have prepared following Program:

<p>14.05. S1 (All): 14.00-14.15 Opening session - welcome speeches (GEOF representative, CAAS - Mrs. Vlasta Brunsko, Željko Bačić) 14:15-15:00 lecture J. Guo 15:00-15:30 discussion</p>	
<p>S2 (All) 16.00-16.45 lecture W.T. de Vries 16.45-17.15 discussion</p>	
<p>15.05. S3 (Geospace group): 09:00-10:30 lecture T. Podladchikova followed by open discussion & hands-on session</p>	<p>S3 (Geodesy & Geoinformatics group) 09.00-09.45 lecture D. Gajski 09.45-10.30 presentation D. Maurer</p>
<p>S4 (Geospace group): 11:00-11:30 lecture A. Veronig 11:30-11:50 presentation K. Dissauer 11:50-12:10 presentation I. Piantshitsch 12:10-12:30 presentation C. Scolini</p>	<p>S4 (Geodesy & Geoinformatics group) 11.00-11.45 lecture J. Cromptvoets 11.45-12.30 presentation N. Kranjčić</p>
<p>S5 (Geospace group): 14:00-15:30 lecture J. Guo followed by open discussion & hands-on session</p>	<p>S5 (Geodesy & Geoinformatics group) 14:00-14:45 lecture A. Đapo 14.45-15.30 presentation M. Car</p>
<p>S6 (Geospace group): 16:00-16:30 lecture M. Temmer 17:30-16:50 presentation E. Asvestari 17:50-17:10 presentation S. Heinemann 17:10-17:30 presentation V. Jerčić</p>	<p>S6 (Geodesy & Geoinformatics group) 16.00-16.45 lecture T. Wunderlich 16.45-17.30 presentation M. Govorčin</p>

<p>16.05. (All): Excursion to Pelješac peninsula 07.50 Pile bus station gathering 08.00 departure Including sightseeing of Ston walls, town and salt work, winery in Pelješac peninsula, lunch in Ston, sightseeing of Trsteno arboretum 19.00 arrival to Dubrovnik (Pile bus station)</p>	
<p>17.05. S7 (All): 09:00-09:45 presentations by M. Varga and M. Govorčin 09:45-10.45 Workshop – student motivation letter + applications</p>	
<p>S8 (Geospace group): 11:00-11:20 presentation M. Dumbović 11:20-11:40 presentation J. Čalogović 11:40-12:00 presentation F. Carcaboso 12:00-12:30 open discussion</p>	<p>S8 (Geodesy & Geoinformatics group) 11:00-11:45 lecture Ž. Bačić 11:45-12:30 presentation M. Husak</p>
<p>S9 (All) 12.45-13.15 Closing session</p>	

We remind participants, those who did not, to send extended abstract for Proceedings!

Regarding your arrival to Dubrovnik, registration and beginning of seminar please note that seminar premises and Dormitorium where we are accommodated are in the same building in the street Don Frane Bulića 4. See the map...

CAAS premises location in Dubrovnik, Don F. Bulića 4

Organization Committee members will be at the CAAS already on Sunday afternoon, May 12th and provide information to early arriving participants. Registration desk will be organized on Monday May 13th, in afternoon, and during Tuesday May 14th, prior we went for lunch (12.00-12.30) and before start of seminar (14.00)

Attached to this announcement are also useful information considering Dubrovnik and CAAS.
