

Split Summer School 2017 Programme

Monday, July 3. 2017 Hall	
Introduction	
12:30-13:30	LUNCH BREAK Registration
13:30-15:15	Welcome address and presentation of Faculty of Civil Engineering, Architecture and Geodes, University of Split: - <i>Prof. dr. sc. Ivana Racetin, vice dean</i> - <i>Prof. dr. sc. Mirela Galić, vice dean</i>
	Introduction to Summer School, organization, way of work, arrangements, program, tasks.... (<i>Željko Bačić</i>) (15')
	GIS as a starting point, historical development and accumulation of problems, description of the core SDI principles, relevancy of SDI ... (<i>Joep Crompvoets</i>) (75')
15.15-15.45	Coffee-break
15.45-17.25	Why do we need SDI? From data sharing to collaboration (<i>Ulrike Klein</i>) (50')
	Showing example of a good materialization of SDI – good portal(s): searching for a certain (few) data sets form case portal (regional or in EU) (<i>Danny Vandenbroucke</i>) (50')
17.25-17.40	Coffee-break
17.40-19.20	Necessary components required to support the development of SDIs, including technical and institutional (<i>Andreas Wytzisk</i>) (50')
	SDI Propositions (<i>Joep Crompvoets</i>) (50')

Tuesday, July 4. 2017 C3 (later C1 and/or C2)	
SDI related technologies and their use	
8:30-9:30	Range of technologies, technological concepts and standards applicable for developing and maintaining SDIs (<i>Danny Vandenbroucke</i>) (60')
9:30-10:30	EU Policies, INSPIRE, Reuse, Privacy law, Digital agenda ... (<i>Joep Crompvoets</i>) (60')
10.30-11.00	Coffee-break

11.00-11.45	Modern society trends in application domain based on spatial data and geospatial management (<i>Joep Crompvoets</i>) (45')
11.45-12.30	Sharing your data in an SDI compliant way (practical examples) (<i>Ulrike Klein</i>) (45')
12:30-13:30	LUNCH BREAK
13:30-15:30	Make your data discoverable (with practical exercises) (<i>Andreas Wytzisk</i>)
15.30-16.00	Coffee break
16.00-17.30	Setting up an SDI Node – Geoserver deployment workshop (<i>Andreas Wytzisk, Ulrike Klein</i>)
20.00-...	Presentation about Diocletian palace (will find place in northern tower of the palace) and city centre sightseeing (facultative)

Wednesday, July 5. 2017 C6 (later A3, C7, C8)	
Preparation for upcoming tasks	
8:30-12:30 (Coffee-break will be at 10.30)	(Flexible, schedule will be made dependent on attendees!) Task group meetings and ad hoc group meetings
	1.4 – Specification of project curriculum (<i>Danny Vandenbroucke – BoK</i>)
	1.5 – Specification for LLL
	2.3 – Purchase
	3.1 – Quality Plan
	3.2 – Evaluation report
	3.3 – Monitoring indicator
	4.1 – Communication Plan
12:30-13:30	LUNCH BREAK
15:00-...	Team building – excursion to Otavice (Meštrović mausoleum)- Radošić (local architecture and gastronomy - dinner) - Malačka (view on Split and islands by night)

Thursday, July 6. 2017 Hall (after lunch C3 and/or C1, C2)	
Consolidation of previous work and adoption	
8:30-9:30	Individual and group work – preparation of homework (60 min: <i>Ivana Racetin, Vesna Poslončec-Petrić, Zlatko Srbinoski</i>)
9:30-10:15	Results of Task Group Meetings 1.1, 1.2, 1.3 etc. and consequences for integration in curricula (part 1)
10.15-10.45	Coffee-break
10.45-12.30	Results of Task Group Meetings 1.1, 1.2, 1.3 etc. and consequences for integration in curricula (part 2)
12:30-13:30	LUNCH BREAK
13:30-18:30	Time provided for preparation of presentations inclusive task team support: Providers on national level: National SDI strategy and how and where will we introduce SDI in our curricula Users on national level: What is the strategy of SDI and what about its inclusion in your Faculty (University) (<i>Ivana Racetin, Vesna Poslončec-Petrić, Zlatko Srbinoski</i>)

Friday, July 7, 2017 Hall	
Wrap up and Results	
8:30-10:00	Group presentation (4) Providers on national level: National SDI strategy and how and where will we introduce SDI in our curricula (<i>Moderator – Željko Bačić</i>)
10.00-10.30	Coffee-break
10.30-12.30	Group presentation (6) Users on national level: What is the strategy of SDI and what about its inclusion in your Faculty (University) (<i>Moderator – Ulrike Klein</i>)
12.30-13.00	Summer School closing and lessons learned (<i>tbc</i>)
